Lord have mercy

Lord have mercy on us your children
as on your name we call.
Bring forgiveness and restore our being.
Lift us up and save us when we fall.
Lord have mercy on us all.

Create in me Lord, a pure clean heart;
renew your spirit in me.
Cast me not from your sacred presence
Give again the joy from sin set free.
Let us all your mercy see.

Wash and cleanse us, with loving kindness
receive us in your care.
Hear our cry as we call upon you.
Pour on us the grace in which we share.
Lord in mercy hear our prayer.

Glory to God

Glory to God who made heaven and earth
who made mountains and valleys and rivers and seas.
Glory to God who made all of creation,
the sun, moon and the stars were ordained by his royal decrees.

Who can explain it? Who can know the work of his hand.
Or who can tell his fathomless wisdom,
his mighty deeds the schemes he has planned.
He the sustainer, by the sound of his mighty word,
who calms the storm, or raises the heavens,
or opens the waves, or makes his voice heard.

All heaven declares it, and the skies resound to his praise.
For none compares with his matchless power
or faithful love he richly displays.
All strength and power can be found in his mighty hand.
By his design he fashioned the heavens
and all things behave the way he has planned.

We praise you

We praise you.
We give thanks to you.
We glorify your name.
We praise you.
We give thanks to you.
We glorify your name.
Shout out for joy.
Come and worship with gladness.
Delight in his presence
with songs of great joy.
Entering now through his gates with thanksgiving
and filling the whole of his courts with our praise.
Bringing our thanks and exalting together,
we fall down before him the ancient of days.

We praise you.
We give thanks to you.
We glorify your name.
We praise you.
We give thanks to you.
We glorify your name.
Yours is the honour, the power and the glory.

forever and ever, in worlds without end.
Glorious in power O king of all Israel.
The angels are gathering surrounding your throne.
We as your servants now worship before you
Come by your Spirit and make yourself known.

Lord God

Jesus you are the heir of all things,
through whom all the world was made.
You are the radiance of God's glory
all his grace in you displayed.
By your word all things sustaining.
Worlds obey your one command.
You are reigning now in heaven,
seated there at God's right hand.

For you are holy

For you are holy
reigning on high,
in wondrous splendour
such majesty.
Enthroned in glory,
our sovereign Lord.
We bow before you,
by all adored.

You are exalted.
Your name we praise.
Your holy mountain
your truth displays.
From everlasting
to evermore,
your radiant presence
we will adore.

Great and marvellous are your deeds
O Lord Almighty God.
We praise and magnify the one great holy name.
For you are wonderful, marvellous,
sovereign Lord of all.
We come to worship you,
your glory we proclaim.

Your truth and justice
we now declare,
throughout all ages,
seen everywhere.
For you are holy,
steadfast and sure.
And at your footstool,
come let us adore.

I believe

I believe in one God almighty, one God incarnate,
Saviour eternal.
I believe in one who in love
came to save a world in sin.

God of glory
shine on us anew.
Whatever men may say,
this I know is true,
Of one thing I am sure,
I believe in you.

I now know who I have believed
and am persuaded that he is able
to keep safe all I have committed
unto him against that day.

One Lord

Jesus in nature the deity,
freely surrendered his place in sovereignty,
counting it nothing to take the form of man,
he who sat enthroned on high before the worlds began.

At the name of Jesus
every knee shall bow and
every tongue confess that
he is king of glory now.
Now in heaven ascended;
to the highest place was raised
till the whole world echoes to the
sound of his praise.

And on the green hill of Calvary

his body broken hung there for all to see.
And yet obedient he counted it not loss
there to hang and suffer even death upon a cross.

Now he's exalted in heaven above,
risen, victorious, the triumph of his love.
And thus returning to the place from which he came
he has been given a name above all names.

Holy Spirit

The Spirit of the Lord is resting upon me,
he has anointed me to preach the good news.
News to the poor in heart;
freedom for captives;
sight to the blinded
blessed release.

To proclaim the year of God's favour
Comfort to all of those who mourn.
And for the pure in heart there's a vision
of a new world's rising dawn.

The Spirit of the Lord is resting upon him,
Spirit of wisdom and understanding,
Spirit of Counsel, Spirit of power,
Spirit of knowledge, delight in the Lord.

Not by might and nor by power but
by my Spirit says the Lord
You shall receive the power of my Spirit
You shall be witnesses throughout the world.

Our Father

Our Father in heaven,
may your holy name be honoured.
May your kingdom come,
may your will be done
on the earth as it is in heaven.
Give us this day our daily bread.
Forgive us the wrongs we have done,
as we forgive others who trespass against us.
Lead us in safety not temptation.
For yours is the kingdom

and to you belongs the power;
yours the glory and forever. Amen. Amen.

By your blood

By your blood you gave
freedom from the grave.
Your sacrifice has made us complete.
On a cross you suffered,
broken and rejected,
nails that pierced your hands and your feet.

And by this atoning sacrifice,
death to end the pain of death,
full atonement made.
We receive the gift of life anew,
take afresh the gift of grace,
price of sin now paid.

All the pain you bore,
who could offer more,
taking on my burden of sin.
All our wounds are healed,
the way to life revealed;
see a bright new future begin.

Body broken hanging on a tree,
this the true divinity,
crushed like broken bread.
Wine that represents your royal blood,
flowing from your wounded side,
freely it was shed.

See the man betrayed.
What a price is paid?
To a new creation we draw.
In the holy place,
we behold your face,
worshipping the one we adore.

Holy Holy

Holy, Holy, Holy is the Lord.
Holy, Holy, Holy is the Lord.
He's the alpha and omega; he's the everlasting word.

Holy, Holy, Holy is the Lord.

Precious, precious, precious is the Lord.
Precious, precious, precious is the Lord.
He's the alpha and omega; he's the everlasting word.
Precious, precious, precious is the Lord.

Reigning now in splendour at the Father's own right hand,
angels bow and worship bringing honour to the lamb.

Holy, Holy, Holy is the Lord.
Holy, Holy, Holy is the Lord.
He's the alpha and omega; he's the everlasting word.
Holy, Holy, Holy is the Lord

Hosanna

Hosanna! Hosanna!
Hosanna in the highest!
Hosanna! Hosanna!
Hosanna in the highest!

Salvation and glory and power belongs to our God,
for ever and ever almighty reigning Lord.
Let us rejoice, give him praise and be glad.
Give him the honour and give him the glory.

The kingdom of this world becomes the kingdom of God,
for ever and ever almighty reigning Lord.
Let us rejoice, give him praise and be glad.
Give him the honour and and give him the glory.

Hallelujah. Hallelujah.Hallelujah. Amen.
Hallelujah. Hallelujah.Hallelujah. Amen.

Blessed is he

Blessed is he who comes to meet us.
Let us exalt the name of the Lord.
Sing out his praises; tell his glory,
worship, adore the living word.

There will be a new heaven;
a new earth is in store.
All the pain forgotten,

a future now assured.
There's a Holy City
out of heaven coming down.
And God will dwell among his people
as we freely share the victor's crown.

There will be no crying,
no death or grief or pain.
All the old things vanish.
No hint of them remains.
For a thirsty people
there's a stream of life which flows.
For he is making all things new,
within a kingdom that just grows and grows.

He who on the cross became life's open door,
now behold he is alive for evermore and evermore.

Lamb of God

Blessed lamb of God may we know your grace within us.
Blessed lamb of God may your fellowship be sweet.
Keep us in your way and reveal the path you place before us.
Keep us secure; guard and keep us safe till face to face we meet.

Now to the one saviour God of all creation,
to him be glory,
both now and through all generations.

Now to the one who can keep our feet from falling
and to present us before his courts with praise;
to our God and Saviour be glory, power and majesty,
before all the ages, now and in earth's still remaining days.

Now to the one saviour God of all creation,
to him be glory,
both now and through all generations.

Blessed lamb of God, we commend ourselves to your grace.
Build up your church as a temple for your throne,
and lead us in time to the splendour of your heavenly kingdom.
Prepare the place then return and take us all to be your own.

Give us your peace

Give us your peace; peace everlasting.
Give us your peace; peace everlasting.

Now may the peace which defies understanding
focus our minds on the things which are sure.
And may God's blessing, his Spirit and love,
rest and abide with us all evermore,
rest and abide with us all evermore.

May now the Lord make his face shine upon us
and may his grace fall on us day by day,
lifting the light of his countenance on us,
giving his peace as we walk in his way,
giving his peace as we walk in his way.

Give us your peace as we walk in your way.
